

Betamix NeurosurgicalPatty

Betamix Neurosurgical Patty

- High-quality cotton/rayon fibers prevent disintegration and linting, reducing the risk of granulomas
- Pliable when wet, allowing patties to conform to irregular contours
- Provides excellent absorbency from 10 to 17 times its weight
- X-Ray detectable string is secured on one side of patty
- Locator string attached to the patties increases visibility and assists in identification
- Patties come with counting card
- Sterile
- Wide range of thickness and dimensions
